Champion Shipping Services offers everything you'll need for exhibit transportation, including ground transportation, airfreight services, ocean transport, international services and more. Champion is your trade show partner.

- A Champion specialist—an expert in transportation and trade shows—will assist you throughout event planning and on-site at the show
- Shipments are tracked from pick-up to delivery
- Champion provides pre-printed labels and shipping documents
- Charges are included directly on the Champion master invoice

Champion Knows Tradeshows

Champion is an expert in logistics services for the intricacies of the tradeshow environment, from targeted move-in times, marshaling yard check-in and weekend/after hours pick-up and deliveries. With your pick-up address and event information on hand, Champion is able to print your shipping documents and labels for you.

Champion Provides One-on-One Customer Service—On the Phone and at Show Site

A call center is a great back-up for contact, but having a personal account executive puts you in good hands. Champion is available 24 hours a day to assist you, whether online, on the phone, or at show site.

Let us Help Make Your Show Transportation Simple and Easy

Let us know your ground transportation, airfreight services and international shipping needs.

Exhibit Transportation

Web 2.0 Expo - Demo Pods September 28 - 30, 2010

Our Transportation program offers the following Services:

- Personalized service with a representative who is an expert in exhibit transportation and is familiar with all the details pertaining to each tradeshow.
- Pre-printed labels and shipping documents for inbound and outbound shipments.
- Our Event Coordinators will be on show-site and available to assist with all your transportation needs.
- Champion Shipping charges are conveniently itemized on the master Champion invoice along with our other services.

To transport your exhibit material via Champion Shipping, complete the form and fax to 508 923-1795
