SHERATON NEW YORK HOTEL
Electrical and Cable Services Request Form

Service Order Information

1. **Payment and credit card information for service must accompany service request or order will not be processed.**
2. Date payment is received shall determine actual payment due.
3. Incomplete information regarding hook-up or power requirement will delay processing, as all pre-orders will be completed first.
4. Room or booth number (s) must be identified in the appropriate field on the front of this form.
5. Third party billing is not allowed.
6. Credit will not be given for electrical service installed and not used. Services cancelled prior to installation will be subject to cancellation fee of 25% of the total amount ordered.
7. Claims will not be considered unless filed prior to close of meeting and/or exposition at SNY Event Services Office. Non -receipt of service must be reported to SNY Event Services prior to close of the day for verification and consideration.
8. Unpaid balances are subject to past due penalties.

Important Rules and Regulations

1. No one other than SNY electricians can make any electrical connections or install/remove cable or fixtures.
2. Unless otherwise noted, all material and equipment furnished by the SNY for services shall remain the property of the SNY and shall be removed only by the SNY at the closing.
3. Permanent building utility outlets are the property of SNY and plugging into these outlets is strictly prohibited.
4. Use of open clip sockets, latex or lamp cord wire, duplex or triplex attachment plugs in any part of the SNY is prohibited.
5. All cords must be of three-wired type. All exposed noncurrent-carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.
6. All electrical equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
7. Electrical power for lights and displays will be turned on one hour prior to show opening and turned off at show closing.
8. Unless otherwise directed, SNY installers are authorized to cut floor coverings to permit installation of services.
9. For voltage fluctuations or power failure the SNY is not responsible for temporary conditions.
10. All electrical service connections (110 V) include 4 female outlets.

Voltage Requirements

Alternating current only. (Current available, single phase 60 cycle approximately 115 Volts, single phase 60 cycle approximately 208 Volts, 3 phase 60 cycle approximately 220 Volts.) Please indicate amperes per phase leg; voltage, and number of phase required. All prices for equipment and labor quoted are subject to change.

Liability and Insurance

The SHERATON NEW YORK HOTEL will not be responsible for any injury, loss or damage that may occur to the guest/exhibitor, the guest/exhibitor's employees or property on both or to any other person, prior during, or subsequent to the period covered by the exhibit/meeting contract, provided said injury, loss or damage is not caused by the hotel. Each exhibitor expressly releases the hotel from such liabilities and agrees to indemnify the hotel against any and all claims for such injury, loss or damage. Exhibitors who wish to carry insurance on their exhibits must place it at their own expense. All terms, conditions, rules, regulations and pricing are non-negotiable.

I have read, understood and I agree to all of the above,
