**IMPORTANT !
SHIPPING INFORMATION
PLEASE READ CAREFULLY**

Dear Exhibitor:

When shipping your exhibit, product or literature to a show, there are freight charges that you will incur. This form is designed to help you calculate the charges that will be assessed by Champion for handling your freight from the dock to your booth and from your booth back to the dock at the end of your event.

These charges are in addition to any freight bills that you will receive from your chosen carrier and / or trucking company.

Please find the freight category that best describes your shipment. Then use these categories to calculate your estimated freight charges from Champion.

All charges are based upon inbound weight certificates and are quoted on a round-trip basis whether services are utilized completely or not. All charges are per cwt (100 lbs.), rounded up to the next 100 lbs., with a **200 lb. minimum**. Champion will receive advance crated shipments at the warehouse and will provide up to 30 days free storage prior to the show. Champion will receive direct shipments at showsite on scheduled move-in day(s). Champion will provide delivery to booth, storage of empty packing materials, and return outbound shipments to the loading dock. All shipments must be accompanied by **certified weight tickets**. Champion reserves the right to re-weigh your shipment(s) to determine actual weight.

Additional charges may apply:

- **Off-Target:** Direct shipments that do not arrive on the appropriate date or time will be charged an additional \$30.75 per cwt.
- **Late to Warehouse Fee:** Shipments arriving after November 9, 2009 will be charged an additional \$30.75 per cwt.
- **Early Shipments to the Advance Warehouse:** Advance shipments arriving to the warehouse prior to the 30-day free storage will be charged an additional \$30.75 per cwt per month or portion thereof.
- **Marshaling Yard Fee:** A Marshaling Yard may be established to ease congestion at the facility and better utilize dock space. If a Marshaling Yard is used, all carriers and privately owned vehicles must check into the Marshaling Yard prior to unloading. \$25.00 per shipment will be added to your invoice for use of this Yard.
- **Shipments Returned to Warehouse:** Shipments returned to warehouse at close of show will be charged an additional \$30.75 per cwt, 1,000 lb. minimum. Shipments not picked up from warehouse within 72 hours will be charged the prevailing rate for storage.

▪ **PLEASE USE PREVIOUS PAGE TO CALCULATE YOUR ESTIMATED FREIGHT CHARGES.**

Freight Handling Information

Shipping Definitions

Category 1: *Crated* - Referred to as "Common Carrier shipments"

- crates, fiber cases, cartons, etc. that are not stacked but placed side by side on the trailer.

Category 2: *Uncrated* - Referred to as loose or pad wrapped; i.e., your exhibit material is not protected in a shipping container.

Additional Handling - Referred to as "Van Line Shipments"

- In this instance, the carrier delivering your exhibit to the show is charging you by space used (per cubic foot) as opposed to charging by weight (per 100 lbs.). Exact measurements of your crates are taken by your carrier for loading and unloading the trailer. Customarily these carriers charge in such a manner as is advantageous to them to maximize the space inside the trailer. This process may require additional Champion labor to load / unload.

Also in this category are POV's, company owned trucks, air freight shipments and shipments received from UPS, FedEx, etc. that are delivered without delivery receipts and / or Bills of Lading.

Category 3: *Small Packages* - Referred to as a package, carton or envelope.

- any **single package** that arrives at the warehouse or show site weighing less than 50 lbs. In this category are shipments received from UPS, FedEx, etc.

***Overtime:** is Monday - Friday, prior to 8:00 a.m. and after 4:30 p.m.. Also, all day Saturday, Sunday and observed union holidays.

In addition:

- Advance shipments are subject to overtime if moved into showsite during overtime hours due to scheduling conflicts beyond Champion's control.
- Shipments during "move-in" or "move-out" are subject to overtime charges if handled during overtime hours due to scheduling conflicts beyond Champion's control.

Money Saving Tips

Helpful hint for small shipments!

To reduce material handling costs, ship all materials in one shipment, not several shipments.

See example of savings below.

Before the show...

THE WRONG WAY

- Shipped as three separate shipments -

Received

54 lbs. charged @ 200 lbs. min. x \$100.75 per cwt. \$201.50

59 lbs. charged @ 200 lbs. min. x \$100.75 per cwt. \$201.50

72 lbs. charged @ 200 lbs. min. x \$100.75 per cwt. \$201.50

Total: 185 lbs.

Total Cost:

\$604.50

\$ THE MONEY-SAVING WAY \$

Shipped everything together as a single shipment*

Received

3 pieces totaling 185 lbs. @ 200 lbs. min. x \$100.75 per cwt. **\$201.50**

TOTAL SAVINGS!

\$403.00

* *The charge from Champion for handling your freight should not be confused with the cost from your carrier to transport your freight to and from the show.*

After the show...

- Obtain a material handling form at the Champion Service Desk.
- Once your freight is packed and ready to ship, complete and return the material handling form to the Service Desk .
- If not using the official show carrier then you must make and/or confirm arrangements for pick-up with your choice of carriers.
- Be sure your chosen carrier is declared on the material handling form.
- Make sure all crates, packages, etc. are clearly addressed (remove all old address labels).

* Failure to follow these steps could result in freight being forced onto the designated show carriers and assessed additional shipping charges.

Frequently Asked Questions

HOW DO I SHIP TO THE WAREHOUSE? (i.e., advance shipment to warehouse)

- We will accept freight-beginning 30 days prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Critical Show Information page. Your freight will be accepted after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday 8:00 a.m. to 4:30 p.m. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

HOW DO I SHIP TO SHOW SITE? (i.e., direct shipment to show site)

- Freight will be accepted only during exhibitor move-in. Please refer to the Critical Show Information page for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Be sure to check your service manual if you are targeted for a specific date or time.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- We do not accept collect shipments. Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading "prepaid".
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Shipping Addresses & Information page.
- Some labels are color coded, so please check the service manual before making copies.
- Try to label every carton that is skidded with at least your name & booth number.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at the Service Center. Place a label on each container. Labeled containers will be picked up periodically and stored during the show.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending upon the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show - the time between your departure and the actual pickup of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Form in order to ship materials from the show. All pieces must be labeled individually. (You can pick one up at the Service Center or a Champion floor representative will assist you.)
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Form must be turned in at the Champion Service Center.
- Provide your designated carrier with pickup information. Please refer to the Critical Show Information for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment either will be rerouted to Champion's carrier choice or delivered back to the warehouse at exhibitor's expense.
- For your convenience, show-recommended carriers will be on site to handle outbound transportation.
- You must notify your carrier of the dates & times of pick-up.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by "riders" to your existing policies.
